The following CCTS Mobile SIM plans are available:

- the total amount owing will be the cost of any usage incurred up until the time of cancelation, including the current month costings and a onetime \$55 early termination fee; and

INTERNATIONAL ROAMING

Your monthly included call and data value do not include usage while you're overseas, so you'll be charged separately for this usage. Roaming Data and Voice bolt-ons are available to be used overseas.

International Roaming One-off bolt-ons available on CCTS Mobile SIM Plans are perfect to get you more affordable calls and data when you are roaming internationally.

Roaming is not available in all countries. Please refer to the **International Roaming Sheet** on page 12 for rates as well as countries included in the Roaming Data Bolt-on packs listed below.

Price	\$45	\$80	\$150
Validity Period	5 days	10 days	20 days
Voice	60 minutes	150 minutes	360 minutes
SMS	60	150	360
Data	800MB	2GB	6GB
Destinations	64	64	64

Roaming Bolt-ons are charged at the moment of addition and immediately gives you data to be used in other countries.

ZERO BILL SHOCK

Zero Bill Shock ensures you will not receive any excess usage charges against your monthly bill by blocking any calls, SMS, MMS and data usage that would incur excess usage charges to you bill (those not included in your plan allowance).

If you wish to use any services not included in your plan (including Domestic and International bolt-ons), please contact CCTS on 1800 244 244.

DATA BOLT-ONS

A one-off data bolt-on will be available for your CCTS Mobile SIM Plan when your plan data allowance is exhausted. You should receive an SMS or email when approaching your limit or dial *159# to check your balance. This bolt-on is the perfect solution to cover that extra data you were not expecting to use. It is charged at the moment of addition and gives you 1GB of data to use in Australia.

Bolt-on	Amount of data	Cost
1GB One-off Bolt-on	1GB	\$10

The IGB One-off bolt-on will start to be consumed once your plan's data allowance is exhausted, and it can help you avoiding the unexpected excess usage charges.

It is valid until the end of your monthly bill and will neither be renewed or recharged automatically once exhausted, or in the following month. You can add this bolt-on as many times as you like.

You will receive notifications via SMS reflecting the consumption of your active bolt-ons.

VOICEMAIL

To access your voicemail box simply call 141 from your mobile device and follow the audio instructions to set up your greeting and other configurations. Voicemail feature is free of charge but calling 141 may be deducted from your monthly included value. You will receive an SMS every time a new voicemail is left in your voicemail box.

ADDITIONAL CHARGES

Any changes to this plan may incur additional charges so please check with your CCTS account manager in order to confirm before requesting any modifications.
